

**Goosecroft Centre, Goosecroft Lane, Northallerton
Home of Northallerton and the Dales Mencap Society.**

2017

Before and After

The new entrance.

Re-surfaced and enlarged car park.

The kitchen has been enlarged. The corridor in the extension is sunny.

The meeting areas are uncluttered and there are new tables and chairs.

There is a new dance area and wall-mounted smart TV.

The changing places toilet is spacious with high quality equipment.

There is a quiet room for individual or small-group work.

The old building has been re-roofed with new insulated cladding to match the extension.

The entrance and interior are all level to facilitate wheelchair access.

There is a new paved area at the back.

Users of the centre have all said how impressed they are with the improvements.

There was a real air of excitement when the Gateway Club returned.

The facility, which acts as a community hub, has been re-named Goosecroft Centre as it is in Goosecroft Lane, Northallerton.

All those involved with the Northallerton and the Dales Mencap Society and all beneficiaries are most grateful to the many individuals and organisations that supported the project to extend and re-furbish the old Mencap Centre.
